

How to Play Dreidel

Start with 1 dreidel to share or one for everyone and a collection of small pieces to play with.
(pennies, small chocolates, etc.)

Evenly distribute pieces to each player. Have each player then put a piece into the middle to create the "pot"

Take Turns Spinning

 **Nun - do nothing**

 **Gimel - take all**
(all players put 1 back in to replenish)

 **Hey - take 1/2 of the pot**

 **Shin - put 1 in**

**When you run out of pieces,
you're out of the game**
